

## **05: Styleguides**

Goal of the week:

Understand how to analyse art styles

Recap our photoshop skills

### **Exercise 1 :**

You will analyse some art works chosen by the teacher. We will do this all together. Write down what you see. No need to upload anything, just participation is required.

### **Exercise 2 :**

Now that we analyzed the style we need to apply it. Together we will apply the style on a simple object.
