

01: Intro to Photoshop

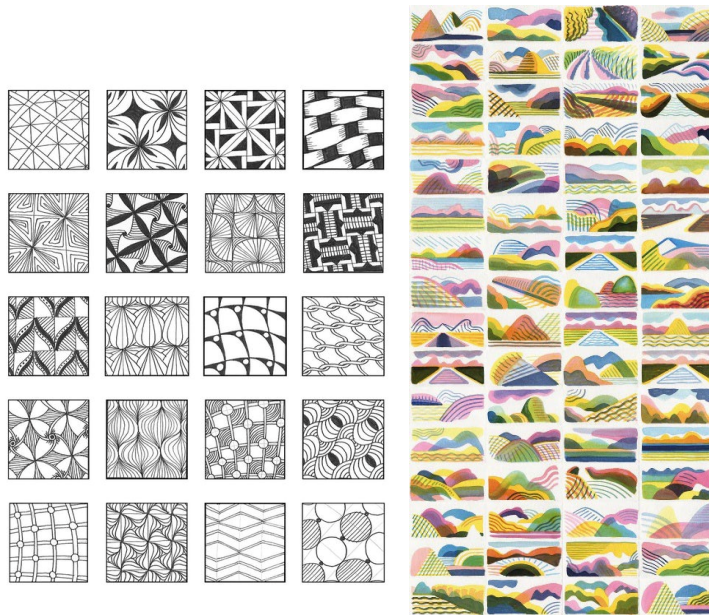

Goal of the week:

Get acquainted with Photoshop

These exercises are for students who already know some Photoshop. But feel free to do them if you want to practice.

Exercise 1 :

You make one of the line drawings from each image. Experiment with different brushes. Experiment with the brush settings. Reference can be found in the sources folder.

Save :

Classgroup_YourLastname_YourName_1_1.psd

Classgroup_YourLastname_YourName_1_1.png

Upload the png to your Trello board.

Exercise 2:

In this assignment you draw a monster. You can use Drawing AlphaBeasts.pdf in the reference folder or create your own monster. It is important that you experiment with the brush tool and brush settings.

As a reminder you can watch the “Brushes” video on Panopto.

Save :

Classgroup_YourLastname_YourName_1_2.png

Upload the png to your Trello board.

Demo Exercise :

Turn a pet into an oilpainting. This is a guided exercise, together we will create a portrait of a pet. On leho you will find a folder with oil paintings, and some pets (but you can use your own pet).

Save :

Classgroup_YourLastname_YourName_1_3.psd

Classgroup_YourLastname_YourName_1_3.png

Upload the png to your Trello board.
