

03: Lines and shapes

Goal of the week:

Learning how to use the pen and shape tool.

Learning to experiment with shapes.

Exercise 1 :

Use the pen and shape tool to create a weapon in this flat cartoon style. We provided a folder with references.

Exercise 3:

Take your creation from exercise 1 and play around with the shapes to make variations. Just like we showed with the plant in theory.

Extra Exercise :

Use the pen and shape tool to recreate one of the houses in the houses folder. For this exercise you can play around with the shape from the start. F.e. make it more rounded.

Example from Joachm Leclercq
